INTRO

Julian Morales is a visionary director-choreographer. Studying in dance at the young age of 6 thru his teen years, along with 35 + Theatrical Productions under his belt on and off stage, began his journey in studying Musical Theater with a focus on Choreography at The Institute For American Musical Theater in NYC, Since graduating Morales as been mostly seen on stage working with Cedar Fair Entertainment & Seaworld Entertainment but is ready and eager to transition to the other side of the table to share his creative wheelhouse with a well-established company that is looking to innovate and create talent-based, story-driven, high-production-value shows and entertainment. His mission is to deliver Broadway quality entertainment no matter the budget or circumstances, with a focus on conceptual choreography that can tell a story while being FABULOUS!
